1. The DDCI has requested an Executive Committee Meeting, which will be held on Tuesday, 8 March, at 1030 in the DCI Conference Room (7D-64), to get your views on the Agency's recruitment process. The recent Inspector General's study on the EOD processing system will serve as the catalyst for discussion. Volume II of that study, which contains the Inspector General's analysis and recommendations, is attached. The Office of Personnel will present its views at the 8 March session.

2. The DDCI will be interested in your reactions to the Inspector General's findings and proposed remedies, and particularly to the added responsibilities that the latter would place on the four Directorates.
